Dr. Don Mroz has extensive experience helping businesses large and small manage change and find new ways to grow and prosper. He has worked with Mom & Pop shops to Fortune 100 companies across many sectors including not for profits.

Dr. Mroz is extremely well-versed in the challenges and opportunities facing the auto and healthcare industries. Last year, for example, he consulted with a Tier One supplier for the Automotive Industry where he took leaders from Europe, Asia-Pacific, Australia, and North America through a corporate innovation process for creating value through the development of a worldwide infrastructure. He also designed and delivered several leadership development programs for Empire Blue Cross and Blue Shield of New York.

Before joining Post, Dr. Mroz has worked on strategy development and leadership development with numerous other organizations, including schools, churches and for-profit companies. He also has worked as a vocational and career education consultant with boards of education, principals, and all levels of administrators, teachers and counselors.

Dr. Mroz holds a PhD. in Human & Organization Systems, an M.A. in Human & Organizational Development and an M.A. in Guidance and Counseling, and a B.S. in Industry & Technology.
