

## Post University Subject Matter Expert

### **Mark Fazioli, Ph.D.**

Post University Director of Instructional Design, Assistant Academic Program Manager – Instructional Design & Technology Concentration

#### **Areas of Expertise:**

- Instructional Design
- Instructional Technology
- Online Learning
- Multimedia Learning
- Distant Education Leadership

Dr. Mark Fazioli serves as Director of Instructional Design for Post University. He also is Assistant Academic Program Manager for the Instructional Design & Technology Concentration. With more than 20 years experience as an Instructional Designer/Trainer and 10 years as an educator, he is devoted to helping students reach their full learning potential through the use of engaging instructional strategies and methods that address the diversity of learners, which is his goal as an educator.

Before coming to Post, Dr. Fazioli has worked as an Instructional Designer/Trainer for companies such as Vie De France, Dawn Food Products, Bright House Networks, and the Connecticut Distance Learning Consortium. He has also worked as an Instructional Designer for the University of South Florida, Northwestern Community College and Goodwin College, as well as consulted for small academic institutions and schools districts in online education and instructional technology integration.

Dr. Fazioli is a member of the Association for Educational Communications and Technology (AECT), American Society of Training (ASTD), and Development and the eLearning Guild. He has published articles on Instructional Design and Multimedia Learning and presented in numerous workshops and presentations.

Dr. Fazioli holds a Ph.D. in Education – Instructional Design for Online Learning from Capella University. He received his master's degree in Instructional Technology from Southern Connecticut State University, and his undergraduate degree in Multimedia and Information Technology from Charter Oak State College.
