Areas of Expertise:

- Enrollment Management
- Organizational Development
- Recruiting
- Training
- Fluent in both English and Spanish

Veronica Montalvo was recently appointed as the Vice President of Enrollment Management for the Online Education Institute at Post University. Previously, she served as Director of ADP Enrollment. She is a skilled human and organizational development professional who believes success is accomplished through teamwork, and an organization's greatest asset is its employees.

Ms. Montalvo joined Post University in 2005 as its first Admissions Counselor in the re-organized Accelerated Degree Program, which is designed to meet the higher education needs of working adults. She played an integral role in growing the department from one person to a team of 90. When she started at Post, there were about 100 ADP students. Today, the Accelerated Degree Program has more than 5,000 students.

Before joining Post, Ms. Montalvo was a recruiter for leading software technology companies in the U.S., Mexico, and Latin America at one of the largest and most successful Executive Search companies in the country.

Ms. Montalvo speaks both Spanish and English and is of Puerto Rican descent. As the eldest of two, she was the first in her family to graduate from high school and college. As a full-time working adult, she earned her master's degree in business management from Albertus Magnus College. She also holds a bachelor's degree in communication from Eastern Connecticut State University and plans to pursue a Ph.D. in Training & Performance Development.

As a young cancer survivor, Ms. Montalvo is an advocate for other cancer warriors. She donates and volunteers for organizations including the American Cancer Society and the Cancer Schmancer Movement.
